

The Colchester Boma 7

For all lovers of the countryside who can't get out to enjoy it quite as fully as they would like, whether on account of injury, older age or disability, the Colchester Boma 7 is here for your use and we would love to hear from you...

What is the BOMA 7?

An off-road, all-terrain vehicle for community use by mobility-restricted walkers and chair users. Capable of negotiating hills, banks and ditches, and almost any surface conditions, including mud, snow and sand. Battery-driven, easy to operate, adjustable and comfortable, not to mention super-good-looking, the BOMA 7 is your ticket to roam...

Where can I use the Boma?

The BOMA has a permanent home at High Woods Country Park and can be used there to explore its full 400 acres of woodland, lakeside and meadows. We also occasionally take it off-site (the coast at Walton-on-the-Naze, Alton Water, Rendlesham Forest are favourites) and these opportunities are also available to regular users of the Boma.

How can I use the Boma?

There are 3 main ways to use the Boma

1. BOMA open afternoons – run throughout the spring and summer (late March to end of September) when the BOMA can be booked free for an hour or more in the park. *Walk Colchester* volunteers are on hand to provide induction and support. Forthcoming dates are posted on our website (below). Outside of these dates, we are happy to make occasional individual arrangements, also free, subject to our availability.

In addition, regular users of the BOMA may wish to join CB7C...

2. The Colchester BOMA 7 Club (CB7C) - for an annual fee of £25 (a contribution towards insurance and maintenance, which may be paid in instalments), members may use the BOMA independently, subject to booking, whenever they wish throughout the year. Members with the necessary towing facility and insurance in place, may also discuss booking/use of the Boma at other locations away from the park.
3. Group subscriptions to CBC7 – finally, organisations working with or representing disabled or older people may wish to join CBC7 on a group basis. Subject to staff member/s training as BOMA volunteers with Walk Colchester, group sessions may be booked and run independently. The annual fee for organisations is £45. If you belong to a relevant group, you may wish to suggest they look into this option!

Be in touch For more information (whether for yourself, or for somebody you know including details of BOMA trial days and open afternoons, visit our website (below), or contact us directly. We are excited to hear from you!
